

International Promotion & HR Services

crewDesigner - we design your crew!

A promotion and recruitment agency that handles the personalised exterior branding of your company.

We aim to provide you with the staff you need in order to expand your personnel-based range of services.

True to the motto: **"It's better to kick up the dust than to let it settle"** - crewDesigner stands for new ideas, creative input and drive!

Our range of offers serves all your needs regarding your new brand ambassadors.

- Promotion including Merchandising, Sampling and much more,
- HR Services including Sales Support and Shop in Shop,
- Sports Promotion for clients from the sporting industry and their events.

CrewDesigner doesn't just design your crew in Germany – thanks to our global network, we are also able to handle international projects.

The crewDesigners are active in France, Belgium, Sweden and Italy – we can place jobs in these countries in the capacity of an employer.
